Ms. Courtney Lawton
University of Nebraska-Lincoln

Dear Ms. Lawton,

We first heard of your saga on “chronicles” on Public Broadcasting radio (5/6/18). Your articulate presence and courage prompted our modest Samuel Foundation Award () in recognition of your substantial commitment to human decency.

As well we find offensive all efforts to subterfuge innocence and commitment of youth that promote the evils of capital and privilege. How does one teach what is fair and just?

We hope you accept our modest award in absolute appreciation.

Sincerely,

Bart Ziegler PhD, President
Samuel Lawrence Foundation
