Diputado Pedro Kumamoto Aguilar

Estimado Diputado Kumamoto,

We are in full support of your efforts to combat the inhumanity and dishonesty in politics. To harm people is universally unacceptable, and we commend the efforts of the team of Diputado Kumamoto for improving the quality of politics for Mexican citizens.

Please accept our modest donation of \$100, to go towards your work. It would be a pleasure to speak with you by phone to learn more about your recent efforts.

Kind Regards,

Bart Ziegler PhD, President
