Dear Mr. James,

Your firm's efforts are an important step towards environmental justice and longevity. Your campaign to elect four clean energy advocates into Exxon's board is heartening.

As we at Samuel Lawrence Foundation continue to fight for green energy around the coast, your actions inspire us. There is much work to be done and we look forward to seeing all that you will continue to do. The book enclosed, *The Well of Being*, may provide further inspiration for your work and efforts.

Please reach out if you need help with any of your future endeavors.

Kind regards,

Bart Ziegler, PhD
