Re: Kincadee fire and PG&E legal action

District Attorney Ravitch,

Thank you for your lawsuit. We salute your substantial courage.

Over a decade ago, efforts against PG&E were quashed by the highest office in California. Our nation's AG had to steamroll over California and effectively sue PG&E. San Diego has also dealt with difficult utility issues at the failed San Onofre nuclear power plant.

Your uncanny vision serves us all and delivers hope. Kindly accept this book as The Samuel Lawrence Foundation Prize for your extraordinary dedication to justice for all.

Kind Regards,

Bart Ziegler, President
