Koskoff KosKoff & Bieder

Dear Mr. Josh Koskoff,

We are inspired by the incredible courage of your clients regarding the Sandy Hook school shooting. We commend the families from Sandy Hook leadership and integrity to influence gun control and encourage divestment from violence. Gun control is a public health issue and we stand by your demand for justice.

At the foundation, we believe the bedrock of a sustainable democracy depends on all citizens taking swift actions and assuming accountability, despite prevailing politics. Your efforts as her legal counsel will have ripple effects for generations to come.

The case has captured our attention in California and we share our support and encouragement with the families and your very capable legal team.

Kind Regards,
