Ms. Verda Tetteh
Fitchburg High School

Dear Ms. Verda Tetteh,

The generosity you displayed during your graduation ceremony is both overwhelming and moving. The act of lifting others up through giving, especially in regard to making education more accessible, speaks volumes to your character. With more people like you in the world, great change is truly possible.

Our modest foundation, SLF, sends this book *A Velocity of Being*, in recognition of your generous spirit. May its pages inspire you upon your journey as you have inspired us.

Kind Regards,

Bart Ziegler PhD, President
